Dear Mike,

The 67th Annual Columbus MAGI-FEST is now history and the reviews are in. It was a dandy! Even our critical club members, who have run this convention for the past 18 years, are laudatory in their evaluation of this particular convention. What made the difference this year? The answer is simple. We had a very good balance of solid acts with good variety.

Thank you for your presentation for our opening show at the FEST. We have heard numerous comments regarding the high quality of our opening show. Many commented that it was one of our best. Thank you for being a part of making this a success. Your unique act delighted the audience. You and your assistant (and I truly apologize for forgetting her name) did one terrific job for us. I have seen a lot of fire-eating in my life, but I have never seen anyone hold the fire on their tongues so long. Terrific! I am glad we chose to use you this year. It truly was a success.

On a more personal note, your attitude, your gentle nature, and your welcoming of other magicians to talk with you, all made for a wonderful aura. I appreciate this in "my" performers. It is part of what makes the convention successful. Thanks.

Thank you for making our convention one that will be remembered for a long time to come. I truly hope that our paths will cross again.

Sincerely,

Jep Hostetler

Dear Mike,

Thank you so very much for the wonderful magic show you provided for us at Northlake Days 2002! You were a huge success!

We've had magicians before but none as sophisticated and polished an act as yours! Every jaw hung in awe as you made Monty appear in the flaming plate! And, thank you for taking the time to allow some curious hands to meet Monty after the show.

We had several people ask whether or not you'd be returning for a second night during the fest and we were urged to ask you to return. We hope to have the opportunity to contact you again and hope you will consider returning to Northlake!

Thank you again for a very fine job!

Sincerely,

Dear Vivian/Hope:

On October 10th, I had a birthday party for my son Jonathan who turned 10 years old. I contracted with Kreative Parties to have a magician you recommended by the name of Mike DiDeminico. He was absolutely "awesome" as the children told Jonathan in school the next day. I had 15 wild, outspoken ten year old boys at the party and 10 adults. Everyone, including myself thought that Mike was an outstanding magician. He mesmerized those boys with his magic but the highlight of the party was his fire tricks and the python used in his magic. He also dealt very well with the children, he was kind and had a lot of patience.

I highly recommend Mike as a magician for any age party and I intend on recommending him and Kreative Parties to all of my friends/relatives in need of entertainment for a special occasion. Mike DiDeminico is the absolute "best" magician I have ever seen. Again, as the kids said, he is "awesome". I can't thank you enough for recommending him and for your assistance in making this party one of the best my son has ever had.

Thank you again,

Laurie Kirshenbaum

To whom it may concern:

I had the privilege of meeting Mike DiDomenico at our company Christmas Party. Everyone enjoyed his performance and we were all surprised with his unique talents.

I would recommend Mike to anybody that needs a magician.
